INTRODUCING

TC Fixed Deposit Investment Programme

Invest in our Fixed Deposit Programme today and get

12% to 16% Return on Investment

Did you know?

Fixed deposits are one of the most common and widely used investment options around the world. They are popular among conservative investors who seek a safe and predictable investment avenue to grow their savings.

Here's the catch

Letting your hard-earned money sit idle in a bank account is not ideal. Invest in a fixed deposit for steady savings, growth and generate inflation-beating returns. Fixed deposits remain the mainstay of India's safest investment options.

Why invest in TC FD?

The Interest Rate on TC Fixed Deposit is double than the interest provided on savings account balance and it's also more than the other FD Interest Rates provided by Banks. TC FD is risk-free and guarantees fixed returns. TC FD provide complete flexibility with regard to the tenure of investment. It is a liquid investment; you can break your fixed deposits either partially or completely, when required.

Introduction

Are you looking for a reliable and low-risk investment option that can help you grow your savings? Look no further! Our Fixed Deposit Investment Programme is designed to provide you with a secure and lucrative investment opportunity. With a proven track record of delivering consistent returns, our Fixed Deposit Investment Programme is an ideal choice for conservative investors who prioritize safety and stability in their investment portfolio.

TC Fixed Deposit Programme

Higher Interest Rate

Grow your savings with interest rate as high as 12% to 16% per annum.

Flexible Tenure

Choose from the flexible investment options starting from 12 to 60 months.

Flexible Payout Options

Choose from flexible interest payout options, i.e., monthly, quarterly, half-yearly, yearly or at maturity.

Guaranteed Returns

Get steady and assured returns irrespective of market fluctuations.

1. Competitive Interest Rates: Our Fixed Deposit Investment Programme offers competitive interest rate of 12% to 16% that is higher than traditional savings accounts. This allows your money to earn higher returns compared to keeping it idle in a regular savings account. Our interest rates are carefully determined to provide you with attractive returns while maintaining the stability and security of your investment.

2. Flexible Tenure Options: We understand that different investors have different investment goals and timelines. That's why our Fixed Deposit Investment Programme offers flexible tenure options to suit your individual needs. You can choose from a range of tenures, from short-term to long-term, depending on your financial goals and risk appetite.

3. Guaranteed Returns: Our Fixed Deposit Investment Programme offers guaranteed returns on your investment, making it a predictable and reliable investment option. You can enjoy peace of mind knowing that your money is secure and will grow steadily over time.

4. Hassle-Free Process: Investing in our Fixed Deposit Investment Programme is easy and hassle-free. Our dedicated team of financial experts will guide you through the entire investment process, from opening an account to managing your investment. We ensure that your investment experience is smooth and convenient, with minimal paperwork and formalities.

5. Safety and Security: We understand that safety is a top priority for investors. Our Fixed Deposit Investment Programme is backed by our strong financial stability and reputation, making it a safe and secure investment option. Your investment is protected by various security measures, and we have a proven track record of delivering consistent returns to our investors.
